

SMALL WORLD CULTURAL ARTS COLLECTIVE

ANNUAL REPORT

APRIL 2004 - MARCH 2005

Introduction

Small World's fifth year has brought important changes. We are now a registered charity, which increases our financial and other inclusive opportunities. The range of organisations, both statutory and voluntary, which we work with, continues to grow, along with the list of creative people working in partnership for us.

Small World has now moved into the new building on Russell Street, and considerable work has taken place to enable groups to use this dedicated space, along with the installation of additional electronic facilities for music and visual art work.

The Worker's Report indicates our wide range of existing activities, both inside and outside the building. Once two further tasks have been completed in the building, it will be fully usable throughout the week and the year, and we will expand our publicity so as to ensure that local organisations are aware of Small World's capacities. In addition, the building itself will be available for use by relevant groups and organisations.

We are looking forward to another exciting and creative year.

ANNUAL REPORT 2004-2005

Welcome to another exciting year at Small World which has found us with our first premises for sustained youth art & development and a part time development worker for a year.

We took lease on a large building at 20 Russell Street thanks to a grant from the Arts Council with match funds coming from Bradford Council. The building (or smallworld cp as it has become known) was a lot bigger project than we originally intended but is very central and offers a huge amount of potential for future development. Our volunteer architect/builder/joiner has been working hard to create a beautiful and inspiring place with echoes of Gaudi, from a very limited budget but lots of good ideas. An artwork in its own right. We are due to take our first group in April with more bookings coming and planned projects of our own. The first step towards our goal of regular accessible activity for young people.

This year we have worked with

- 2454 YOUNG PEOPLE
- 16 ORGANISATIONS
- 5 LOCAL ARTISTS

We have also taken on a part time development worker to expand our user base which has given many more young people in Keighley the opportunity to try out Small World's

own special brand of community arts. The post is funded by Children In Need for 12 months and began in June of 2004.

PROJECTS

इपारट इवार्त पोपड = पुठपुण्डु पारएंनड इवार्तपु

Two sessions planned with Nicola Corrigan who runs the young parents group, very small turnout but the activities which included digital t-shirt printing & jewellery were enjoyed by those parents & children who came

वेडडप इवार्त

The continued work with the Hainworth youth group involved work with drama tutor Sara Thomson to put on a production of Cinderella & the Godfather. Local artist Pam, provided some brilliant costumes and for the first time we actually had several parents turn up to support their offspring. The healthy eating website can now be accessed on <http://www.fiveadaybradford.nhs.uk/hwfnf/index.htm>

इवार्तवार्तपुण्डु इवार्तवार्त इवार्तवार्त वार्तपु

Two days in the summer for the successful summer scheme organised and run by the mentors from Guardhouse School. This was the first time they had included arts and it was very well attended. The children made dragonflies, mobiles and monsters as well as a variety of freestyle pieces.

इवार्तवार्तवार्त लवार्तवार्त

Working with the Southward Youth Service team, the kids produced a large mural for the side of the building in Bracken Bank. On the theme of health with poetry from a previous Small World participant the work was done over 5 evenings and two days. With a riot of bright colours and some digital photography which allowed the kids themselves to be part of the art. Unfortunately one of the panels was damaged, though it has now been redone by Small World we are still waiting for it to be picked up and replaced by the Youth Service!

ਪਾਰਕਵੁਡਰੀ ਹੋਲੀਦੇਅ ਡਿਜ਼ੈਲ

Another Youth Service project to provide holiday activities at their base at Parkwood. Mobiles, dragonflies and digital imaging ran alongside dance, graffiti and other activities. Not a fantastic attendance but those who came did seem to enjoy.

ਸ਼੍ਰੋਲੇਡ ਟਾਕਲ

Small World spent the day with a girls group at the wonderful Blackhill camp outside Wilsden making dragonflies and mobiles.

ਬਰੇਨ ਟਰਾਂਸਪੋਰਟੇਸ਼ਨ ਵੇਯੁਡ

These two events were aimed at finding out what the young people in Keighley with special needs would like in terms of activities. Planned by Tariq at the Asian Disability Network the children made banners which allowed them to put forward their ideas and feelings about what they would like to see in Keighley.

ਕਾਬਾ ਪਾਠਾਂ ਅਟ ਕਲਿਫ ਟਾਈਟਲ

A fantastic project, the last of the Arts Council funded activities was a film, written and performed by young people who also made the costumes and props. With the help of

excellent artists Shanaz Gulzar, Sarah MacHenry and Sally Stone the scenes were shot in the beautiful setting of Cliffe Castle grounds and the team were based in the education room. The film is due to be premiered in 2005.

આફગાનસ્તાનમાં શાંતિ બાંધવા

With lead artist Shanaz Gulzar, the group from three different schools looked at similarities between Christianity & Islam through shared stories. The techniques included digital imaging and traditional art media.

આફગાનસ્તાનમાં શાંતિ બાંધવા - શાંતિબાંધક, ડ્રાઇવરો અને હોમીયો પાથોલોજી

A project set up with Susan Brown of the Youth Service to provide young women at risk with a creative outlet with which to express themselves. We have worked with groups from all three secondary schools who have produced a 'secret diary' for each participant.

holycroft fantastic fridays

Continued work with Holycroft School using digital and traditional media to produce artwork for the gallery, this time through a fruity man!

ବିସ୍ତା ଛାତ୍ରୀ ଛାତ୍ରୀ ଗ୍ରାମ୍ୟ ହାତୀଦାୟ ଇଟେକଲଟ

A one day session with the BCA girls group, they made mobiles, silks and hats.

ଘରାଳି ଗାୟିତ୍ର ଇଟେକଲଟ

A fantastic 3 month project with year 4 class of mixed ability kids alongside parents who devised their own story about aliens who come to school to enlist the help of class 4B in rescuing the children from their planet who had been turned into monsters by a wicked witch.....! The kids became part of the story as magnetic astronauts. Brilliant.

इत जेइएफेइ इतेरती

A short project about healthy eating to produce a mobile and sample some new and exotic foods.
